# Financial Aid Database (FAD) Overview

## Purpose

The purpose of the **Financial Aid Database (FAD) Report** is to collect data used by the Texas Higher Education Coordinating Board (THECB) to produce an annual statewide **Financial Aid Report**, determine state aid program allocations, conduct compliance monitoring, and generate additional statewide and institutional reports. The FAD Report provides the state with a means of measuring and analyzing the funding resources available to students attending public and private/independent institutions of higher education in Texas.

## Reporting Cycle Dates

Reporting Cycle	First Day to Submit	Deadline	Submission Requirements
<b>First</b>	February 24, 2021	April 23, 2021	Deadline to validate student data.
<b>Second</b>	June 23, 2021	August 27, 2021	Deadline to validate student data.
<b>Third</b>	October 6, 2021	December 17, 2021	Deadline to reconcile state program totals and certify student data.

Institutions are required to submit a comprehensive FAD Report three times a year to consolidate data collection. The first two report cycles require a validation of data and the third report cycle requires certification.

## File Format

The file must be submitted in a **Fixed-Length** (also known as Fixed-Width) text format. Below are the alignment standards for the following position types:

- **Numeric Positions** are right justified.
- **Alphanumeric Positions** are left justified.
- **Blank Positions** are left justified.

**⚠️ ALERT:** Files submitted in a tab-delimited text or CSV (*comma separated values*) format **cannot** be accepted. All files **must** be submitted in a Fixed-Length text format.

## File Process

The chart below illustrates the FAD Report file process. File data is not valid until all errors are resolved, and state financial aid program totals reconcile. Prior to submission, institutions should ensure that residency codes reported in the FAD Report file match those reported on the Coordinating Board Management (CBM) 001 Report.

**Step 1:** Upload FAD Report file using MOVEit DMZ.

- Once the file is submitted, an email receipt confirmation is sent automatically, and the file is processed for Errors or Warnings.
- Move to **Step 2**.

**Step 2:** Download FAD Edit Reports from MOVEit DMZ.

- If errors or discrepancies are found on any report, correct the file and repeat **Step 1**.
- If no errors or discrepancies are found, move to **Step 3**.

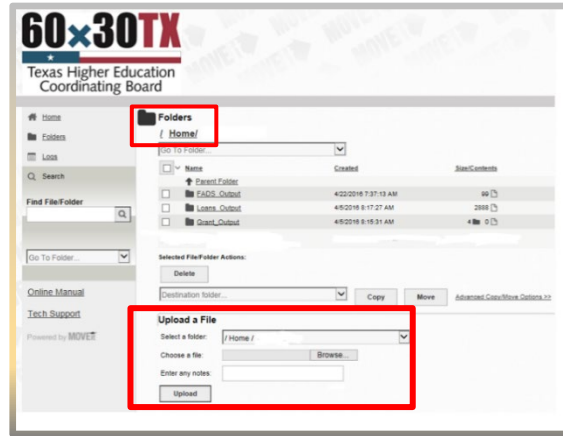

**Step 3:** Complete file process through CBPass portal.

- **First Reporting Cycle:** Institution confirms report totals and completes an online **Validation** statement.
- **Second Reporting Cycle:** Institution confirms report totals and completes an online **Validation** statement.
- **Third Reporting Cycle:** Institution confirms report totals and completes an online **Certification** statement.

## File Upload Process

All FAD Report files must be submitted using the MOVEit DMZ portal. Files need to be uploaded into the **Home Folder**. For assistance with MOVEit DMZ, contact Financial Aid Services through [CONTACT US](#) (select "Financial Aid Question" as the Contact Reason).

**NOTE:** Instructions for [MOVEit](#) are available on the Student Financial Aid Programs (SFAP) Information Webpage, under [Program Resources](#).

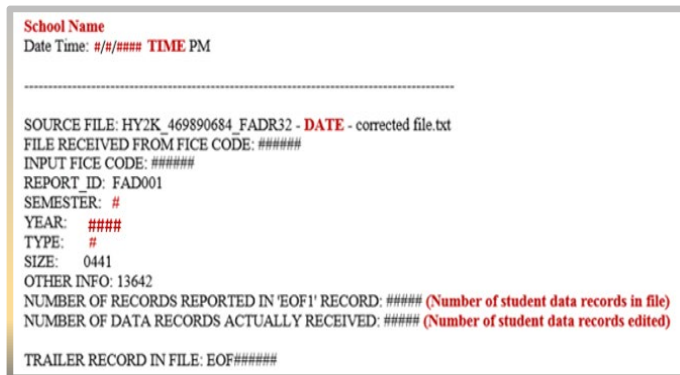

## Data Report Processing Schedule

Data reports are processed every hour, 7 days a week. Processing times may vary based on the size and number of files received by the THECB.

## File Receipt Confirmation

A **File Receipt Confirmation** is automatically sent to the institution's designated email address after a FAD Report file is submitted.

This confirmation indicates that the institution's file was received. If a **File Receipt Confirmation** email is not generated within 24 hours, please contact the THECB at [FADB@highered.texas.gov](mailto:FADB@highered.texas.gov).

### Sample File Receipt Confirmation

- Date and time the file was received
- Number of records in the file

## Edit Report Notification

An **Edit Report Notification** is automatically sent to the institution's designated email address after the file has gone through an edit check process.

## ADDITIONAL INFORMATION

### REPORTING OF FUNDS

Do not report any CARES Funds or Emergency Educational Grants (EEG) disbursed to students during the 2020-21 academic year in the FAD report.

### NOTIFICATION EMAIL ADDRESS

All participating institutions must have a designated email address on file with the THECB to receive file notifications (i.e., [fadmail@institution.edu](mailto:fadmail@institution.edu)). To confirm or update the email address on file with the THECB, contact [FADB@highered.texas.gov](mailto:FADB@highered.texas.gov).

### TROUBLESHOOTING TIPS

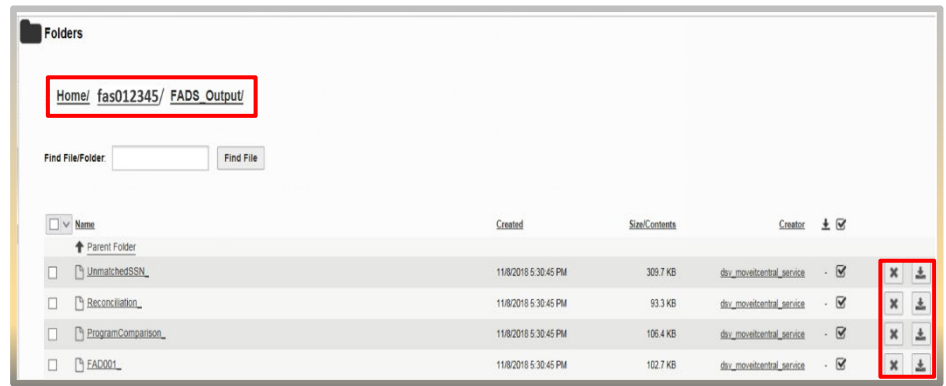

If it has been at least 24hrs and a file confirmation has not been received, do not keep resubmitting files. Follow these steps:

1. Verify the file format is fixed length.
2. Verify header and trailer records are accurate.
3. The file must be uploaded into the Home\_Folder so that it can be extracted for processing. If the file was incorrectly uploaded into the FAD\_Output folder, reupload the file into the Home\_Folder.
4. Check with the institution's IT Department to ensure notifications are routed correctly. Be sure to check spam and junk folders.
5. If file issues are not resolved, contact [FADB@highered.texas.gov](mailto:FADB@highered.texas.gov).

## Reports

The following **Reports** are generated each time a file is processed. The reports can be downloaded from the **FADS\_Output Folder** in MOVEit DMZ.

- Edit Report (FAD001)
  - Edit Summary
  - Error Report
  - Warning/Questionable Report
- Reconciliation Report
- Program Comparison Report
- Unmatched SSN Report (Cycle 3)

Files with errors must be corrected and resubmitted. Each time a file is submitted, the previously processed report will be overwritten until the file is error-free. A file with only **Warnings** should be reviewed for accuracy but will be accepted as error-free.

**NOTE:** For additional information, refer to the **Generated Reports and Notifications** section of this manual.

**⚠ ALERT:** If an **Edit Report Notification** has not been received within 24 hours of submitting the FAD report, do not keep submitting files. Follow these steps:

- Check to ensure a File Receipt Notification was received in the institution's designated email box.
- Check for a "file reject" notification in the institution's designated email box.
- If notifications have not been received, contact [FADB@highered.texas.gov](mailto:FADB@highered.texas.gov).

## Override Request Process

Overrides will not be processed until all other errors are resolved, including unreconciled program errors. Institutions may need to submit an override request on a case-by-case basis for errors that cannot be cleared by an exception (Data Element #9), justification (Data Element #58), or hardship (Data Element #59). Override requests must be submitted via email to [FADB@highered.texas.gov](mailto:FADB@highered.texas.gov) and must include errors found on the institution's most recent **Edit Report**.

For auditing purposes, all override requests must be submitted in the following format:

Send email to: [FADB@highered.texas.gov](mailto:FADB@highered.texas.gov)

**Subject:** XXXXX (FICE Code) FAD's Override Request XX-XX-XXXX (Enter Date)

**Example:** 000001 FAD's Override Request MM-DD-YYYY

Body of the email: List the last 4 digits of the student SSN or ID, the ERROR message and the Justification for the override.

Include the Institution's **FICE Code** in the **Subject** line of the email.

## Error-Free Notification

An **Error-Free Notification** is automatically sent to the institution's designated email address after all errors have been cleared and state financial aid program totals reconcile. This notification will include a link to log in to the [CBPass portal](#). The reporting official at the institution will submit the online form to either **validate** (Reporting Cycles 1 and 2) or **certify** (Reporting Cycle 3) FAD reporting data.

- Completed a FAFSA or TASFA/Institutional application and **did not** receive financial assistance.
- **Did not** complete a FAFSA or TASFA/Institutional application, but received financial assistance (i.e. Private Loans, Merit Scholarships, Exemption and Waivers).

**NOTE:** Do not include students currently enrolled in high school.

**STOP:** Do not report any **CARES Funds** or **Emergency Educational Grants (EEG)** disbursed to students during the 2020-21 academic year in the FAD report.

**Data Element 1** **Report Code.** Enter "F".

**Data Element 2** **FICE.** Enter the 6-digit **FICE** code (or OPEID) of the institution.

**Data Element 3** **Reporting Cycle.** Enter the code (1-3) for the reporting cycle: **First = 1 or Second = 2 or Third = 3.**

**Data Element 6** **Student and/or Spouse Adjusted Gross Income (AGI).** Enter the student's AGI used to calculate the Expected Family Contribution (EFC). If the student is independent, include the spouse's AGI information, if applicable.

Enter "0000000" if the student's AGI is less than or equal to "0".

Enter "9999998" if the student's AGI is equal to or greater than \$9,999,999.

Enter "9999999" if the student did not complete a FAFSA or TASFA/Institutional application.

**NOTE:** If reporting "9999999", then **Data Element 23** must equal "2".

## Program Comparison Report

The **Program Comparison Report** provides a summary of the demographic and program data from the file submitted and compares to the previous year's totals. For example, FY 2021 cycle 2 totals will be compared to cycle 2 totals from FY 2020. Items with a percentage change that exceed the standard deviation will be marked as **\*\*REVIEW**. Institutions are required to verify the data marked for review to ensure it is accurate. Files with invalid totals will need to be corrected and resubmitted.

This is the comparison of demographic data from the reporting cycle of the previous year to the reporting cycle of the current year. Items marked as **\*\*REVIEW** represent differences in your reporting from last year to this year. Please review those items for accuracy.

Records with formatting issues are not included in the totals.

### TROUBLESHOOTING TIPS

If it has been at least 24hrs and a **File Receipt Confirmation** has not been received, do not keep resubmitting files. Follow these steps:

1. Verify the file format is fixed length.
2. Verify header and trailer records are accurate.
3. The file must be uploaded into the Home\_Folder so that it can be extracted for processing. If the file was incorrectly uploaded into the FAD\_Output folder, reupload the file into the Home\_Folder.
4. Check with the institution's IT Department to ensure notifications are routed correctly. Be sure to check spam and junk folders.

If file issues are not resolved, contact [FADB@highered.texas.gov](mailto:FADB@highered.texas.gov).

If an **Edit Report Notification** is not received within 24 hours of submitting the FAD Report, do not keep submitting files. Follow these steps:

1. Check to ensure a File Receipt Confirmation was received in the institution's designated email box.
2. Check for a "file reject" notification in the institution's designated email box.

If notifications have not been received, contact [FADB@highered.texas.gov](mailto:FADB@highered.texas.gov).

## Validation/Certification Notification

A **Validation/Certification Notification** is automatically sent to the institution's designated email address after a FAD report file is processed and no errors are found. **For example:** Institution's Current Tuition Rate per SCH = \$550  
 Institution's SACS Level = 3

In this example, the undergraduate student is enrolled in 12 SCHs in the fall and 14 SCHs in the spring. To calculate tuition differential, the institution would complete the following:

$$\$550 - \$200 = \$350 \times 26 \text{ SCH} = \$9,100$$

$$\text{Institution Current Tuition} - \text{SACS Avg.} = \text{Difference} \times \text{Semester Credit Hours} = \text{Tuition Diff.}$$

## Appendix C

### TEXAS Grant Satisfactory Academic Progress (SAP)

At the end of the first academic year, a student must meet SAP requirements set by the institution to be eligible for a first RY award. At the end of the second academic year, and all subsequent years, a student must have completed 24 SCHs and have a minimum 2.5 cumulative GPA or its equivalent. The chart below reflects these requirements, which must be monitored to ensure compliance.

Academic Year	SAP Requirements	
End of 1st academic year	Institutional SAP policy	
End of 2nd academic year and all subsequent years	Complete 24 SCH	2.5 cumulative GPA on a 4-point scale

#### **STOP: Summer Satisfactory Academic Progress (SAP) Requirements**

If the student **receives** state grant funding for the summer term(s), institutions **must** include credits attempted for summer coursework when calculating the satisfactory academic progress (SAP).

If a student **does not receive** state grant funding for the summer term(s), a student could take summer coursework to re-establish eligibility if they failed to meet SAP requirements during the last term or semester. Summer coursework (not funded using state grants) should not be used to recalculate SAP if the attempted credits will result in the student losing their eligibility for the fall term.

### TEXAS Grant Hardship

A student who is ineligible for a TEXAS Grant based on the requirements for the grade point average (GPA), number of completed hours, or total hours enrolled may be deemed eligible under a hardship provision. Each institution must adopt a hardship policy and have the policy available for public review. All hardship decisions must be documented in the student's record and be available for submission to the THECB, upon request.

 **STOP:** A prorated award may be issued to a student who is enrolled in six to eight hours in the last two semesters of his or her degree program. However, no student enrolled for fewer than six hours may receive a TEXAS Grant award, regardless of the circumstances, including graduation.

## TEOG Satisfactory Academic Progress (SAP)

At the end of the first academic year, a student must meet the SAP requirements set by the institution to be eligible for a first RY award. At the end of the second academic year, and all subsequent years, a student must have completed 75 percent of total attempted hours and have a minimum 2.5 cumulative GPA or its equivalent. The chart below reflects these requirements, which must be monitored to ensure compliance.

Academic Year	SAP Requirements	
End of 1st academic year	Institutional SAP Policy	
End of 2nd academic year and all subsequent years	Complete 75% of attempted SCH in the most recent academic year	2.5 cumulative GPA on a 4-point scale or its equivalent

### STOP: Summer Satisfactory Academic Progress (SAP) Requirements

If the student *receives* state grant funding for the summer term(s), institutions **must** include credits attempted for summer coursework when calculating the satisfactory academic progress (SAP).

If a student *does not receive* state grant funding for the summer term(s), a student could take summer coursework to re-establish eligibility if they failed to meet SAP requirements during the last term or semester. Summer coursework (not funded using state grants) should not be used to recalculate SAP if the attempted credits will result in the student losing their eligibility for the fall term.

## TEOG Hardship

A student who is ineligible for a TEOG award based on grade point average (GPA), completion rate for satisfactory academic progress, or enrollment less than half-time (due to an unforeseen circumstance) may be deemed eligible under a hardship provision. Each institution must adopt a hardship policy and have the policy available for public review. All hardship decisions must be documented in the student's record and be available for submission to the THECB, upon request.

## TEG Satisfactory Academic Progress (SAP)

At the end of the first academic year, a student must meet the SAP requirements set by the institution to be eligible for a subsequent award. At the end of the second academic year, and all years thereafter, undergraduates must have completed 24 semester credit hours (SCH) in the most recent academic year with a 75% completion rate for hours attempted in that year, and they must have a minimum 2.5 cumulative GPA or its equivalent. Graduate students must have completed 18 SCH in the most recent academic year with a 75% completion rate for hours attempted in that year, and they must have a minimum 2.5 cumulative GPA or its equivalent. The chart below reflects requirements, which must be monitored to ensure compliance.

Academic Year	SAP Requirements		
End of 1st academic year	Institutional SAP Policy		
End of 2nd academic year or later – Undergraduate Students	Completion of at least 24 SCH in the most recent academic year	75% completion rate	2.5 cumulative GPA on a 4-point scale or its equivalent
End of 2nd academic year or later – Graduate Students	Completion of at least 18 SCH in the most recent academic year		

### STOP: Summer Satisfactory Academic Progress (SAP) Requirements

If the student **receives** state grant funding for the summer term(s), institutions **must** include credits attempted for summer coursework when calculating the satisfactory academic progress (SAP).

If a student **does not receive** state grant funding for the summer term(s), a student could take summer coursework to re-establish eligibility if they failed to meet SAP requirements during the last term or semester. Summer coursework (not funded using state grants) should not be used to recalculate SAP if the attempted credits will result in the student losing their eligibility for the fall term.

## TEG Hardship

A student who is ineligible for a TEG award based on grade point average (GPA), completion rate, or number of completed hours for satisfactory academic progress, or enrollment less than three-quarter time may be deemed eligible under a hardship provision. Each institution must adopt a hardship policy and have the policy available for public review. All hardship decisions must be documented in the student's record and be available for submission to the THECB, upon request.

A table below shows two applications: 'Accelerate Texas' (App ID 128) and 'Accountability' (App ID 110). A red arrow points from the link to a 'Request Access' dialog box that is open over the table. The dialog box has a 'Select Application' dropdown menu with 'Financial Aid Data Certification' selected and 'Request Access' and 'Cancel' buttons.

- From the **MY ACCESS** tab, click **Request Access to another application** (the **Request Access** window opens).
- Select **Financial Aid Data Certification** from the dropdown menu.
- Click **Request Access**.

The 'Request Access' dialog box is shown with the 'Select Application' dropdown menu set to 'Financial Aid Data Certification'. The 'Request Access' and 'Cancel' buttons are visible at the bottom of the dialog.
