

**C. Student Certification (to be completed if taking preparatory courses for degree program admission)**

If you are taking preparatory courses for degree program admission, please answer the below question:

Have you received financial aid for preparatory work for admission into a degree program in the past at any institution?

YES

NO

**NOTE:** *If you have already received financial aid for preparatory coursework into any degree in the past, you may not be eligible for financial aid. The Office of Scholarships and Financial Aid will review your application and will notify you of the outcome through email.*

**IMPORTANT:**

- **Receiving funding for preparatory courses and your academic advisor's signature above does NOT guarantee admission into any UH degree program.**
- **Funding may not exceed 12 consecutive months – this is a lifetime limit.**
- **Only courses that are part of an existing approved degree program are eligible under the preparatory coursework funding allowance. ACCT 5301 is not eligible for funding because it is not offered as a regular course that is already part of an existing degree program.**
- **Financial Aid is not available if a student is taking Preparatory Coursework for the purpose of raising their GPA (cumulative or otherwise).**
