NSM Best Dissertation Award Application

The College of Natural Sciences and Mathematics Best Dissertation Award recognizes a graduating doctoral student who has performed outstanding research and submitted the best dissertation to the college in terms of scholarship, presentation and organization. The recipient receives an award of $1,000 and is recognized at the graduation ceremony.

Students who want to be considered for the award need to submit the following by the award deadline found on the NSM website:
   a) a committee-approved dissertation to the college, including the signature page, and a hard copy of this form.
   b) a PDF application package emailed to the department Graduate Chair.

Name: _____   UH ID: _____
                    First Name   Last Name

Semester: _____   Department: _____

Program: _____   Admitted to Program: _____
                                                                  Semester   Year

Title of Dissertation:

_____

_____

_____

Committee Members:

1. _____   2. _____
                             Committee Chair

Checklist:

These items are included in my PDF application package emailed to the department Graduate Faculty Chair.

- ☐ Application form
- ☐ A PDF of a single, most representative publication
- ☐ A current CV
- ☐ A PDF of the dissertation, including the abstract
- ☐ Single page summary written in layman's terms of the dissertation research and its significance
- ☐ Letter of recommendation from the research advisor *
- ☐ Letter of recommendation from the committee as a whole or a member of the committee who is not a co-advisor *

    * The letters of recommendation must address scientific impact of the research, quality of the presentation and organization, quality of the scholarship, and actual contribution by the student to the work, in cases where the research was collaborative.

- ☐ I have uploaded my Dissertation to the Texas Digital Library to be reviewed by the NSM Readers and emailed a hard copy of this form to sglass3@uh.edu.
