

Post-Graduate Behavioral Health Fellowship Program

Overview

Unity Health Care's fellowship program offers Licensed Graduate Social Workers experience providing behavioral health services to underserved communities in the nation's capital through an integrated behavioral health model.

- ▶ Paid full-time employment with competitive salary and benefits
- ▶ Hands-on behavioral health experience with adults, children, adolescents, families, and other specialty areas*
- ▶ Licensure and CEU reimbursement
- ▶ Free general and clinical supervision to meet the requirements for independent clinical licensure in DC
- ▶ Opportunities for mentorship and professional development
- ▶ Didactics focused on clinical social work and mental health

What We're Looking For

- ▶ Recent graduates of accredited Master of Social Work programs
- ▶ One year of clinical internship experience with a mental health focus

Candidates from diverse backgrounds are encouraged to apply as Unity is committed to growing a healthcare workforce that reflects the diverse backgrounds of our patients

Email BHFellowship@UnityHealthCare.org for questions. This fellowship is generously supported by a grant from the J. Willard and Alice S. Marriott Foundation.

**Specialty tracks include working with adults, children, adolescents, or specific populations like homeless services, maternal health and substance abuse*
